# MINI-CLUB: 3-4

**Here the smallest are the biggest!**

## PLAYFUL SKI LESSONS WITH Gasti

In small groups your little ski stars between 3 and 4 years will be lovingly supervised by pedagogically trained professionals. Our large kindergarten is completely adapted to the children's needs and offers on 250 m² a play room, dining room, ski depot, cloak room, sleep corner and much more extras for your kids. The ski kindergarten is located at the base station next to our Gasti-Snowpark and provides an optimal frame for amusing ski instruction.

## ALL-DAY CARE: 10.00 – 3.30

Your children are in the best hands and receive instruction and care in half-day or all-day lessons. Our trained educators and experienced ski instructors not only look after your kids during the course hours, but also supervise them during lunch break and after course end. That means a lot of fun for your child and a worry-free day of skiing for you.

### Mini-Land: Fun for bambinis!

## SKI COURSES FOR KIDS

In classes formed according to ability and age children between 4 and 11 years take part a varied weekly programme with lots of fun on the slopes. In our Gasti-Snowpark the youngsters learn their first turns by mixing instruction, play and events. Our teachers introduce the kids to the art of skiing and work with them individually on technique and style.

Advanced ski stars can look forward to fast downhill runs and a great technical training. Here special emphasis is placed on realistic goals and child-appropriate methods as well as safety.

On demand your kids will be lovingly supervised by their own ski instructors during lunch break and after course hours in our company-owned dining and play rooms.
