GROUP LESSONS FOR CHILDREN

In classes formed according to ability and age children between 4 and 11 years take part in an exciting weekly programme with lots of fun on the slopes. In our Gasti-Snowpark the youngsters learn their first turns by mixing instruction, play and events. Our teachers introduce the kids to the art of skiing and work with them individually on technique and style. Advanced ski stars can look forward to fast downhill runs and a great technical training. Here special focus is placed on realistic goals and child-appropriate methods as well as safety.

On demand your kids will be lovingly supervised by their own ski instructors during the lunch break and after the end of the course in our company-owned dining and play rooms.

TOP SERVICE

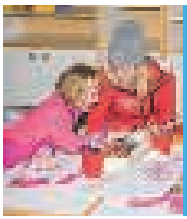
GASTI-LOUNGE

No waiting & queuing

Our large dining room at the half-way station provides enough space for lunch and recovery. During the lunch hour the kids are supervised by their own ski instructors and parents can enjoy a care-free day on our beautiful ski slopes.

GASTI-EXPRESS: OUR SERVICE AGAINST TIRED LEGS

Our shuttle takes your kids in the morning from the meeting point to our 3 conveyor belts. Also at noon we bring your children with the snowmobile to our kindergarten for lunch and pick them up for lessons again.



GASTI-CLUBHOUSE: FOR THE SMALL BREAK IN BETWEEN

Our heated warming room in the middle of the Gasti-Park provides funny games and adventure – even when the weather is bad! A decorated play room and lounge with tea bar and music await the little ones!

FREE SKI DEPOT FOR KIDS & THEIR PARENTS

After an exciting day of skiing you can leave your ski equipment in our ski kindergarten straight at the base station. This exclusive service is for our little guests free of charge and can also be used by mum and dad.

TEENS CLUB: 12-17

More than just skiing

For youngsters between 12 and 17 years we created a varied and exciting new school programme! In addition to our special technical training newcomers and pros enjoy lots of action with freeriding in the backcountry, freestyle in the fun park and race training on the slopes.

To improve the knowledge about alpine dangers there is also a unique avalanche and safety training on the agenda, which makes our youth camps an extraordinary holiday highlight.

ACTION & FUN PROGRAMME

- ✔ Ski technique on and off the slopes
- ✔ Carving in long and short radii
- ✔ Race technique and slalom training
- ✔ Black slopes and mogul fields
- ✔ Rhythm and speed variation
- ✔ Freeriding, off-piste, deep snow instruction
- ✔ Freestyle and slopestyle in the fun park
- ✔ Theoretical knowledge about alpine dangers
- ✔ Safety training with pieps, probe and shovel
- ✔ Video coaching, photo shootings and much more
